

# Introducing smartVIEW ONLINE...

## Stay Connected With Chicago Title Insurance Company *New Jersey Direct Operations!*

Your Real Estate transaction involves a tremendous amount of detail throughout the process in order to close successfully. With smartVIEW ONLINE, you will have the entire title insurance transaction at your fingertips with the click of your mouse to view electronically or create "hard copies" ...your choice.

- The entire file, from the order to the final title policy and recorded documents will remain available in a safe, secure, electronic format indefinitely.
- With smartVIEW ONLINE, you AND your client will benefit from increased efficiencies and reduced costs.
- No need to ever search through a mass of paper files to get your client what they need.
- Access files through smartVIEW ONLINE and directly e-mail your customer the document they request while you have them on the phone!
- Imagine the time your staff will save by being able to respond to your clients' needs immediately.
- Clients will be delighted with YOUR customer service!
